

## Retired

### General Description

Physicians or related scientists' members who are no longer active in the practice of medicine or science may be designated as a Retired Member and shall be exempt from paying dues. Retired members shall not have the right to vote or hold office, but they may serve on standing and ad hoc committees.

### Procedures for Change in Status

At the written request of a member to the Membership Committee, a member no longer active in the practice of Advanced Body Imaging may be designated as a Retired Member.
